Relay run: „Heavy transport“

Two teams, two players each or more. Two players make a team. Each of them gets a stick or staff (approx. 60 cm long). Both have to transport a tablet with a water-filled jar by using the two sticks. The tablet can-not be held with their hands. If the tablet falls on the ground, it has to be brought back and the jar be refilled with water again. The transported water has to be mea-sured on the other side with a measuring jar in order to see who the winner is.

Barefoot park

You will have to perform a run barefoot and blindfol-ded, the track shouldn't be revelead beforehand. Along the way you will find obstacles for your feet: corks, wool, carpet scraps, towel, coat, hay, straw, grass, pine cones, flour, wire mesh, synthetic grass, moss, stones, sand, gravel, sand paper, styrofoam, foam, corrugated cardboard, leather and finally: water, gelatin or similar sticky masses.

Move the ball

Two people make up a „moving cart“. They will have to push a ball for approx. 20 metres forward. Which team is the quickest?
